

## The Megatite<sup>®</sup> Copper System

Megatite for Copper is a series of fittings dedicated for copper tube with a simple pushfit design with the same pullout strength as a standard compression style fitting. High strength design and corrosion resistant.

### 1. Tapper and Saddle

An all-stainless steel saddle, combined with a taper is available in 4" thru 16" sizes. Tapper works as a cutter and shut-off all in one.

### 2. Meter Valve

The meter valve incorporates the anti-over rotation top cap design and integral brass liner on the meter nut to prevent cross-trending.

### 3. Coupling

Can transition from copper to plastic and reducing sizes

### 4. Curbstop

The ball valve design is available in size on size or reducing ends, rated for 300 PSI, and can transition from copper to plastic by simply changing the end connection.

# The Megatite® Copper System

The Megatite Copper connection is a patent pending design that is interchangeable with our current offering for plastic connection by simply changing the nut, gripper, and restraint.

## PARTS AND MATERIALS:

A. Gripper: 304 stainless steel    B. Restraint: 304 stainless steel    C. Nut: Nylon composite (Gold colour)

Megatite Copper is available in the following parts:

Part Number	Size	Description
<b>Couplings</b>		
118-C3C3	3/4" x 3/4"	3/4" Copper Megatite Coupling
118-C4C3	1" x 3/4"	1" x 3/4" Copper Megatite Coupling
118-C4C4	1" x 1"	1" Copper Megatite Coupling
118-C3X3	3/4" x 3/4"	3/4" Copper x 3/4" Plastic Megatite Coupling
118-C4X3	1" x 3/4"	1" Copper x 3/4" Plastic Megatite Coupling
118-X4C3	1" x 3/4"	1" Plastic x 3/4" Copper Megatite Coupling
118-C4X4	1" x 1"	1" Copper x 1" Plastic Megatite Coupling
<b>Curbstops</b>		
210-C3C3	3/4" x 3/4"	3/4" Copper Megatite Ball Curbstop
210-C4C4	1" x 1"	1" Copper Megatite Ball Curbstop
210-C4X3	1" x 3/4"	1" copper x 3/4" Plastic Megatite Ball Curbstop
210-C3X4	3/4" x 1"	3/4" Copper x 1" Plastic Megatite Ball Curbstop
<b>Straight Meter Valves</b>		
220-C3T3	3/4" x 1"	3/4" Copper x 3/4" or 5/8" x 3/4" Meter Tail Ball Valve
220-C4T3	1" x 3/4"	1" Copper x 3/4" or 5/8" x 3/4" Meter Tail Ball Valve
<b>Tapper / Mainstop</b>		
201-STC3	3/4"	3/4" Copper Megatite Tapper
201-STC4	1"	1" Copper Megatite Tapper
